Dear Jim and Vickie,

I forgot to mention in my last note that you two are certainly welcome to stay with us when you arrive in Wash. D.C. We will have two guest rooms, so if Mom and Dad are there, it will be fine, too.

Jim's really getting excited ~~and~~ ^{as} the time to leave approaches, and I see Jim getting everything done on schedule. We're moving everything into the truck in two days, so I have a lot of last minute arrangements and packing.

Our address will be: 509 CRESTWOOD DRIVE, Alexandria 22302.

Love, Mary
